

24x7 Doctor Access

Whenever our members have questions or they are simply not feeling well, they can effortlessly connect to our 24x7 telehealth hotline via phone, video and email for the diagnosis and treatment of illness, second opinions and consultations. We have board-certified, licensed physicians in every state waiting to provide exceptional care. They can even prescribe medication and save a trip to the doctor's office, whether members are at home or on the road.

Claim Changing App

Our healthcare changing app delivers industry smashing engagement technology coupled with 24x7 access to doctors, insurance connectivity, intelligent alerts, prescription savings, provider discovery and much more directly to millions of Americans every day. We've designed the app to make your life awesome by saving time, money and stress typically associated with healthcare. Our app makes healthcare easy!

Medication Discounts

Compare the cost of our service to a typical copay or even worse the cost of a visit to a doctor or urgent care center. If members have a high deductible policy or HSA, using our service could save them hundreds each year. If they need prescriptions, they can access our convenient comparison shopping engine and unlock savings of up to 70% on prescriptions at the pharmacies they already use.

Ease of Access

Our secure, HIPAA-compliant Web and mobile apps helps employees manage their action plan, access features, update health indicators and complete assigned tasks. Our Dashboard makes it easy to stay on top of their wellness plan and measure, identify and review their progress. They can even connect their wireless activity tracker to make sure we always have the most accurate measurements at hand. In the meantime, sensitive medical information is securely stored in the "cloud", always accessible to members and their care providers.

With the help of their brokers and consultants, progressive companies around the country are weaving HealthiestYou into the fabric of their health plans. They're delivering our industry smashing engagement technology coupled with 24x7 access to doctors, insurance connectivity, intelligent alerts, prescription savings, and much more directly to millions of Americans every day. The result...over 20x redirection in claims, reduced absenteeism, improved morale and some very happy group administrators.
