PCP \$0 kid copay

Save your employees money with \$0 Primary Care Physician Copays for Kids.

Family friendly. Family focused.

With the \$0 Primary Care Physician (PCP) Copays for Kids¹ program, your employees will discover how All Savers[®] Alternate Funding is working to help improve health and lower overall out-of-pocket medical costs. Designed for employees with unmarried dependents under the age of 19,² this benefit is available for enrollees in copay-based medical plan designs in the traditional EPO/PPO and PROformance plans.

Making health care and cost decisions easier for families.

Incentives to use PCPs should result in fewer emergency room visits, less need for specialty care and increased preventive health care. All of these help lower overall health care costs for everyone.
